"Rockin' Fruit" Series

If you've wanted to make your own fused and slumped glass projects, this **NEW** Summer & Fall Glass Workshop is for you! This weekly format is an easy, affordable way for glass fans to design, cut, and fire new creations, without the expense of buying a kiln. This 'Open Studios' format is ideal for students who can already make straight and curved glass cuts &/or want instructor guidance for more advanced fused glass projects. Each week, you'll have 3 hours to work on your own projects to prepare for kiln firing. First-come, first-served to save kiln space for your unique gift items or personal artwork. Includes demonstrations, instructor coaching and use of glass tools.

FEE: \$40/3-hour class. Registration is required to save a space, please. Students may bring their own glass (COE 96 only) or glass will be available for purchase at a discount. Students **MUST** bring their own wrap-around safety goggles or glasses to each class.

This 3-week class teaches the fundamental skills to create fused-glass objects and artwork. Students with all levels of art skills are encouraged to attend. Students will design, cut, and prepare 3-5 items for glass fusing and slumping. Students with previous fused glass experience will apply more advanced skills to create new art.

FEE: \$120/3 weeks. Class Fee includes \$20 of glass materials for at least 3 in-class projects. Additional glass will be available for purchase at a discount.

Students **MUST** bring their own wrap-around safety goggles or glasses to each class.
