

HANDCRAFTED FOR THE HOLIDAYS

November 21 – December 29, 2019

Presented by

Studios on the Park

1130 Pine Street, Paso Robles, California

Fine crafts artists are invited to apply for Studios on the Park's eighth annual Handcrafted for the Holidays. Opening November 21, the invitational exhibition and retail sale will be on display weekly Monday - Sunday through December 29, 2019. Our large atrium exhibition space will be arranged into "vignettes" featuring selected premier crafts.

The show is devoted to bringing wide public attention to the field of fine craft. The 40% commission collected by Studios on the Park supports our efforts to make the creative process available to the public through our unique nonprofit open studio facility and educational programming. In addition to handling sales, Studios will provide holiday gift-wrapping. Artists need not be present.

We hope you'll consider being part of Handcrafted for the Holidays!

Application Timeline

October 10	Application deadline
October 15	Applicants notified of their selection

Application

To apply to be featured in Handcrafted for the Holidays at Studios on the Park, please submit at least four (4) images for consideration. Images must be of current work and representative of works to be sold during the show. Photos and CDs will NOT be returned without an addressed, stamped envelope. There are no application forms and no application fees!
