Studios on the Park presents

EAT YOUR HEART OUT
A LOCAVORE LOVE AFFAIR!
January 30 – February 23, 2014

Studios on the Park invites you to submit work for “Eat Your Heart Out,” our only juried exhibition of 2014. The special month long exhibition showcases original artworks inspired by your appetite’s objects of affection.

Grandma always said that when you love someone you cook for them. This act, cooking, is love made manifest. Meals have a way of capturing memories, emotions and feelings by pulling all of the senses into a specific moment. It is the lingering of that moment that has inspired so many artists of the past. The Danish movie Babette’s Feast comes to mind in particular.

Local superstar chefs and culinary artists Chris Kobayashi of Artisan, Santos MacDonal of Il Cortile, and Laurent Grangien of Bistro Laurent will be looking for personal vision and creative approach as well as excellence in execution. They welcome submissions in all styles and media dealing with this theme, love and food.

Each chef/judge will award a gift certificate towards a dinner at their respective restaurants. Two bottles of Thomas Hill Vineyards wine will accompany each award certificate. Also, there is the $500 Editha Spencer Memorial Award to be given.

Special reproductions are given to donors at the annual Sweet Art Fundraiser Luncheon. The 2014 luncheon is in honor of Paso Robles community leader Dale Gomer and will feature a live auction and lots and lots of art. Net proceeds of this annual event benefit the 2014 Festival of the Arts, a program of Studios on the Park. Studios on the Park is responsible for reproduction of the selected pieces.
